#### Sandrone

Seventh of the Fatui Harbingers  
Worked with Columbina directly

I suppose Columbina was tolerable at times. But that doesn't mean I enjoyed her company or anything! If anything she was a distraction from my work! Though... tea parties aren't the same without her...

Lady Lauma has a special connection with animals... but I think too special! She helped my deer friend recover too quickly! That's good I guess... but I wanted to spend more time with it.

### Il Capitano

First of the Fatui Harbingers  
Collaborated with Varka directly

Grandmaster Varka is certainly a... unique individual. Despite his relaxed nature, it is clear he wields great power. Had we had more time during our encounter, I would have loved to spar with him.
